TEJA BOLEM

Hyd, Tel | +91 630-372-9856 | tsbolem@gmail.com | LinkedIn | Github

TECHNICAL SKILLS

Languages & Core: Java (17 / 11), TypeScript, JavaScript, SQL, PHP, HTML5, CSS3, SASS

Frameworks & Web: Spring Boot, Spring Data, Hibernate, Angular, RESTful APIs, Microservices, Bootstrap, jQuery

Databases & Storage: MongoDB, MySQL, JDBC

DevOps, Tools & Testing: Git, GitHub, Jenkins, CI/CD Pipelines, Maven, Postman, Swagger/OpenAPI, JUnit, Log4j, Jira, VS Code, IntelliJ IDEA

Methodologies & Security: Agile (Scrum), Waterfall, OAuth 2.0, Role-Based Access Control (RBAC), Active Directory

PROFESSIONAL EXPERIENCE

Magtech Solutions and Corporation – Java Full Stack Developer Aug 2025 – Jan 2026 | Hammonton, NJ

- Developed RESTful endpoints and optimized complex SQL queries using Java 11, JDBC, and Swagger UI documentation to support microservice integrations.
- Built responsive, accessible web interfaces utilizing Bootstrap and jQuery, enhancing user interface consistency across viewports.
- Executed comprehensive unit and integration tests using JUnit and Maven to ensure reliable builds and smooth production releases.

Princeton IT Services, Inc – ***Java Developer*** 2024 – July 2025 | Princeton, NJ

- Architected and developed a full-stack analytics dashboard using Java 17, Spring Boot, Angular, and MongoDB to visualize and govern high-volume operational metrics.
- Engineered high-throughput, secure RESTful APIs establishing seamless microservice communication and reducing query response latency.
- Integrated MongoDB for flexible, scalable document persistence; optimized indexing structures for fast data retrieval.
- Configured OAuth 2.0 authentication and Role-Based Access Control (RBAC) to enforce strict compliance and data visibility controls.
- Authored comprehensive automated test suites in Postman and JUnit, streamlining regression detection across active release cycles.
- Collaborated in bi-weekly Agile/Scrum sprints alongside cross-functional analysts and data scientists to translate analytical goals into production features.

Cyber Infotech – ***Program Analyst Intern*** Dec 2023 – Apr 2024 | Gaithersburg, MD

- Engineered an e-commerce platform leveraging Java 17, Spring Boot, Angular, and RESTful microservices, increasing platform scalability by 30%.
- Optimized full-stack performance using Angular, Bootstrap, and SASS alongside Hibernate ORM and MySQL/MongoDB for robust transactional integrity.
- Achieved 95% API test coverage via Postman and automated test runs in Jenkins CI/CD pipelines, contributing to a 25% increase in user satisfaction.
- Managed sprint backlogs, code reviews, and Git version control workflows within Jira.

Magtech Solutions and Corporation – ***Java Full Stack Developer Intern*** May 2023 – Nov 2023 | Hammonton, NJ

- Developed RESTful endpoints and optimized complex SQL queries using Java 11, JDBC, and Swagger UI documentation to support microservice integrations.
- Built responsive, accessible web interfaces utilizing Bootstrap and jQuery, enhancing user interface consistency across viewports.
- Executed comprehensive unit and integration tests using JUnit and Maven to ensure reliable builds and smooth production releases.

TECHNICAL PROJECTS

Alko E-Commerce Website – ***Frontend Developer*** Sep 2022 – Nov 2022 | Kent State University

- Designed responsive customer-facing interfaces with Bootstrap, ensuring high usability across mobile and desktop devices.
- Connected client interfaces with PHP, SQL, and XAMPP backend environments; leveraged Git version control to compress sprint delivery timelines by 25%.

Healm Health Tracker – ***Frontend & UI/UXDeveloper*** Jan 2022 – May 2022 | Kent State University

- Translated design wireframes into an interactive health-tracking web application adhering to the Waterfall methodology.
- Integrated Fitbit REST API for real-time fitness metric ingestion, incorporated OAuth protocols, and deployed the

production instance to DigitalOcean.

EDUCATION

Kent State University – Bachelor of Science in Computer Science (GPA: 3.73 / 4.0) Graduated May 2023 | Kent, OH
